Chief's Message

Chief Naithan Gurule

First of all, I would like to thank all of the men and women of the Los Lunas Police Department for their hard work and dedication to the citizens of the Village of Los Lunas during the year 2014. Policing is changing rapidly and the calls for service are becoming much more dangerous and difficult. We are striving to keep up with these changes by strengthening our philosophy on Community Policing. We have been able to further our Community Policing philosophy by reorganizing and training our command staff, first line supervisors and by hiring police officers to remain fully staffed.

Throughout 2014, many officers and civilians were recognized for their hard work. We selected the officer and civilian of the year and many officers received positive praise from the community through letters, emails and in person. Several officers earned merit awards

such as life-saving medals, meritorious conduct medals, police commendation letters and two officers were awarded medals of valor. Several of the officers recognized were in harm's way and the potential was present for them to have been injured or killed. These officers acted courageously and selflessly in the face of danger.

The department has continued to seek out alternative sources of revenue. This year we were able to receive \$267,290.68 in alternative revenue to include a 2014 Ford Explorer used by Los Lunas Police Department Detectives. The department also received an increase in funding from the New Mexico Traffic Safety Division to combat D.W.I. and seatbelt enforcement. The Los Lunas Police Department received \$5,000 for a pilot program for texting while driving enforcement. We were the only small agency in the state to receive this funding. We were also given a \$5,000 increase for 100 Days and Nights of Summer traffic enforcement.

We are continuing to improve our professionalism and reduction in liability through advanced training, increased accountability, transparency, and strong partnerships with our citizens, community and business owners. Citizen complaints were reduced by 57% from last year and we are striving to reduce that in 2015 by increased training, documentation and public service.

On behalf of all of the hard working members of the Los Lunas Police Department, I respectfully submit the 2014 annual report to the honorable board of elected officials, appointed officials, and to the residents of the Village of Los Lunas.

Respectfully Submitted,

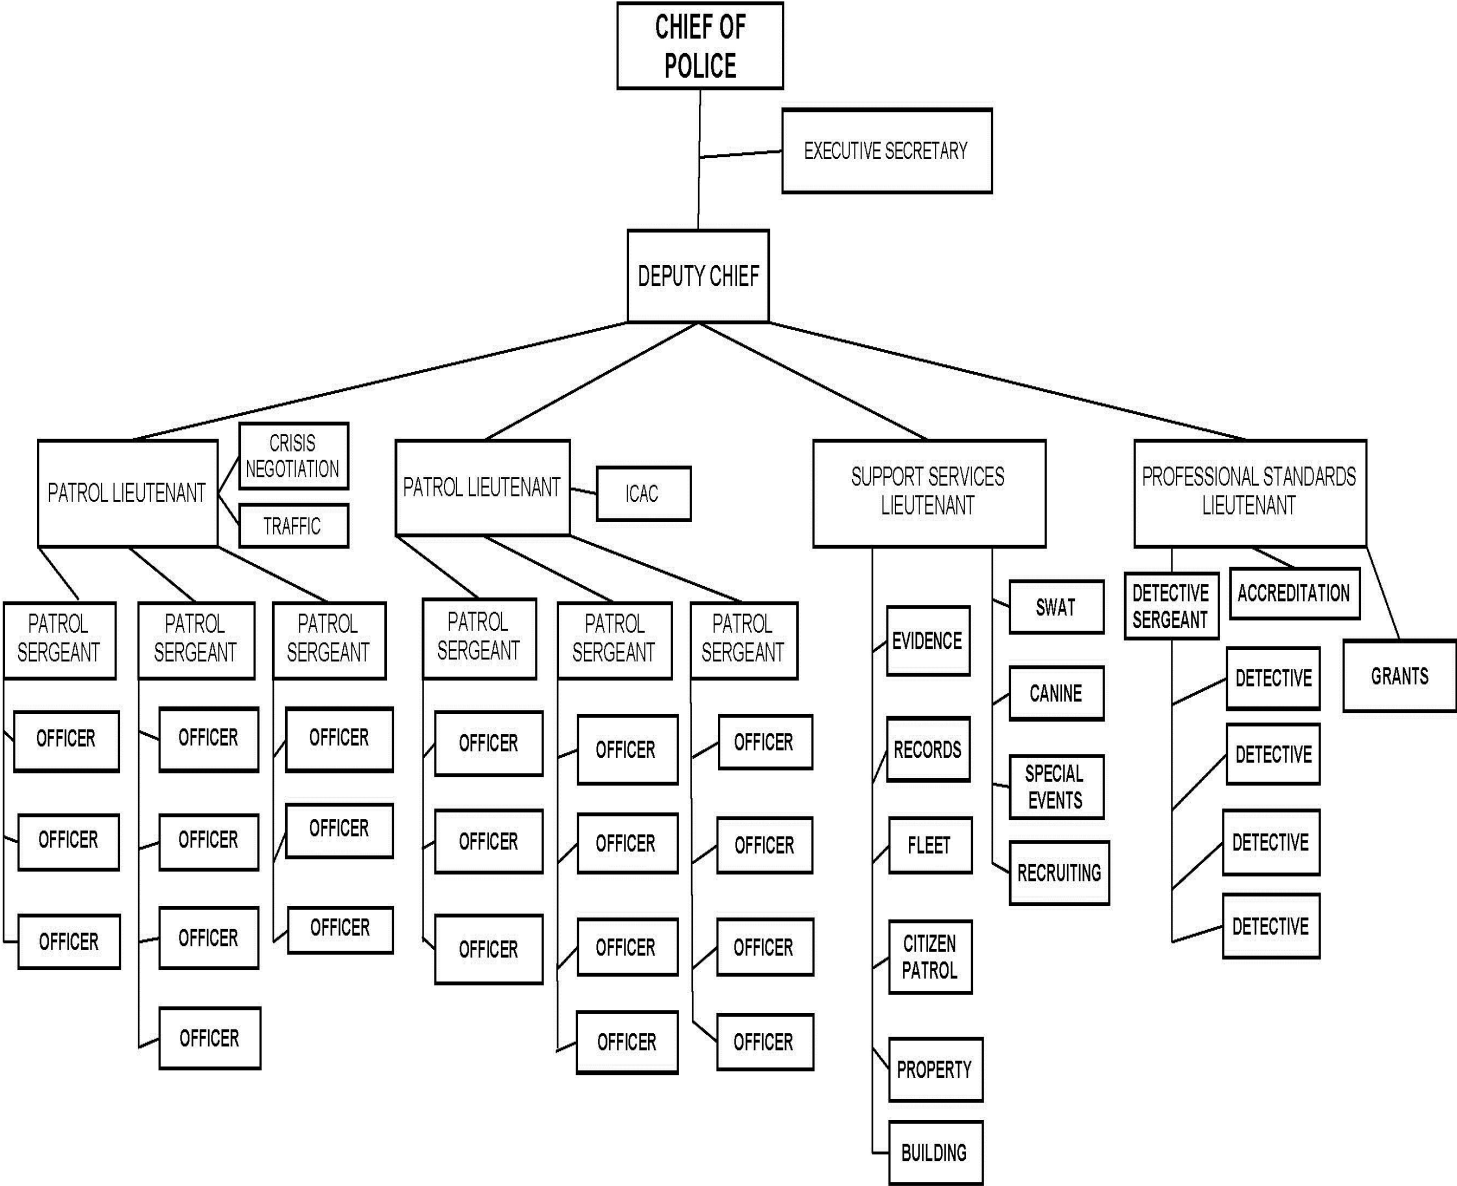

Chief Naithan Gurule
